

## The Top 10 Reasons to Choose Freestyle Cruising® in Hawai'i.

1. We provide the **"Best Hawai'i Itinerary."** We've earned this title for **five years running** from Porthole Magazine, an important source guide for the latest news and reviews of the cruise industry.
2. We are the only cruise line with **Freestyle Cruising®** which means **more choice in dining, accommodations and entertainment**, all in a relaxed atmosphere which complements the Aloha spirit and laid-back vibe of Hawai'i.
3. Norwegian is the only cruise line that sails **Hawai'i year-round**, giving cruisers the opportunity to plan a vacation that fits their needs.
4. Norwegian offers cruisers **nearly 100 hours in port**; more than double what you get with other cruise lines, or any land based vacation where additional inter-island travel would be required to visit all four main islands. For golfers, it is the perfect way to enjoy playing on some of the world's most beautiful courses every day of their cruise.
5. Our 7-day itinerary includes **overnights in Maui and Kaua'i**.
  - a) In **Maui**, guests can have more time to explore the historical town of Lahaina, picnic at a nearby plantation, take the famed 'Road to Hana,' or relax on the unique black sands of Honokalani Beach set among the lava cliffs.
  - b) **Kaua'i** is the oldest of the Hawai'i islands chain. It is also known as 'The Garden Isle,' because of its rich, natural beauty, and is arguably the most beautiful of all the islands. Guests can enjoy Norwegian's award-winning Aloha Polynesian Lū'au show, take a helicopter ride over the breathtaking Nā Pali Coast and Waimea Canyon, sometimes known as the 'Grand Canyon of the Pacific', or take some surfing lessons on Po'ipū beach.
6. In February 2011, **Bride's** magazine named **Hawai'i** the **#1 destination for honeymooners**. And in 2010, **Cruise Critic** named Pride of America **"Best Cruise for Honeymooners."** The combination of a Freestyle cruise and the Hawai'i Islands is a perfect vacation choice for newlyweds.
7. From local foods to local entertainers to **Hawai'i Ambassadors** that offer arts & crafts classes, cultural lectures and Hula & Tahitian dance lessons, Norwegian provides an **authentic Hawaiian experience** that is unmatched.
8. We provide guests the **"Best Lū'au Show in Hawai'i,"** according to **Lonely Planet**. Our Aloha Polynesian Lū'au show in Kaua'i celebrates the spirit of Hawai'i with music and dance from Tahiti, New Zealand, Samoa, and Tonga which helps to capture the true heritage of this tradition.
9. Hawai'i is all about the view! **Pride of America** features the largest percentage of **balconies (57%)** as compared to competitors sailing to Hawai'i. For guests, this means having the unique opportunity to sail by the majestic cliffs of the Nā Pali Coast during the day and the flowing lava of Kilauea volcano at night, all from the comfort of their own private balcony.
10. Launched in 2005, **Pride of America** is the **newest ship** sailing the Hawai'i Islands and the only cruise ship **sailing under the US flag** which means that Hawai'i guests do not require passports or have to spend extra days at sea visiting a foreign port\*\*.
